

WE'RE STILL HERE.....

AN UPDATE ON JAMCEM ACTIVITIES

**CEMENT**

**WE'RE STILL HERE.....**

**Sometimes when we are busy we forget to keep you informed of what we have been doing – so here is an update....**

**New resources...**

We have new resources in the areas of Financial Analysis with Stephane Agostini, Process Engineering with Roger Griffiths, Electrical Engineering with Franky Neiryck and Market Analysis and Strategy with Chris Blasdale.

**New Locations...**

We have continued to work with existing customers and have gained new customers in countries such as Vietnam, Hong Kong and East Africa.

**New Projects....**

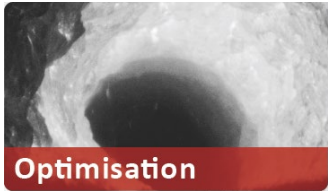

A list of recent work is included on the next slide but isn't exhaustive – visit the website to see the full reference list.

**Same quality of service...**

We continue to provide our Clients with the highest quality of service and have a 100% customer satisfaction record. This ensures that the Client gets the result they want – on budget and on time. You can see the letters of recommendation that our customers have given us on our website – [www.jamcem.com](http://www.jamcem.com)

For any projects – whatever the nature – please contact us at [sales@jamcem.com](mailto:sales@jamcem.com) or call us on +44 203 405 1881
