

THE 29TH ARAB
INTERNATIONAL CEMENT &
BUILDING MATERIALS
CONFERENCE &
EXHIBITION

CEMENT TRANSFORMATION IN THE ARAB REGION

COMPETITIVENESS, CIRCULARITY, DIGITAL
MATURITY AND FUTURE-READY PLANTS

23-25 Nov 2026 | Heliopolis Congress Complex, Waldorf Astoria & Hilton | Cairo, Egypt

KNOWLEDGE PARTNER

TOGETHER FOR
EXCELLENCE

www.aucbm.net

CORE THEMES

REGIONAL CEMENT TRANSFORMATION	CEO-level panel on Middle East cement industry transformation
MARKET COMPETITIVENESS	Arab cement strategy, regional outlooks, UAE operational excellence, Africa outlook, countries zoom in for KSA & Syria outlooks
CIRCULARITY	Cement as a waste-to-resource and strategic circularity platform
DIGITAL MATURITY AND AI	AI-driven cement operations, process optimization, predictive intelligence, quality control, decision support and the transition from isolated tools to integrated plant intelligence.
INDUSTRIAL DIGITALIZATION	Automation, electrification, connected sensing, IoT, digital maintenance, reliability systems, laboratory intelligence and data-enabled operational performance.
DECARBONIZATION	From roadmaps to bankable execution, linking carbon reduction with competitiveness, finance readiness, technology deployment, CEO commitment and practical implementation pathways.
BREAKTHROUGH TECHNOLOGIES	Advanced cement plant technologies covering modernization, material handling, storage, logistics, CGD waste valorization, air handling, industrial cleaning, energy efficiency and production reliability.
FUTURE-READY PLANTS	OEM solutions, combustion systems, fuel flexibility, brownfield upgrades, greenfield EPCF delivery

EVENT AGENDA

DAY 0 — SUNDAY, 22 NOVEMBER

12:00 **Exhibition Set-Up**

16:00–19:00 **Delegate Registration**

DAY 1 — MONDAY, 23 NOVEMBER

08:00–09:30 **Delegate Arrival & Registration**

09:30–10:30	Session 1: Official Opening Ceremony	Opening Keynotes — AUCBM and Host Country	AUCBM Host Country
-------------	---	---	-----------------------

10:30–11:00 **Session 2: Exhibition Opening & Coffee Break**

11:00–11:20	Diamond Sponsor Keynote	Unlocking Hidden Plant Capacity	ASEC
-------------	--------------------------------	---------------------------------	------

11:20–11:40	Session 3: Arab Cement Strategy, Markets & Regional Outlooks	3.1 Egypt Cement Market Evolution and CBAM Exposure	Ministry of Industry
-------------	---	---	----------------------

11:40–12:00		3.2 Syria Cement Reconstruction Outlook	Omran
-------------	--	---	-------

12:00–13:00	Session 4: Middle East Cement Industry Transformation	CEO-Level Regional Transformation Panel Discussion	CIMAT Holcim Egypt WCA CNPC — Tunisia
-------------	--	--	--

13:00–13:25	Session 5: Arab Cement Strategy, Markets & Regional Outlooks	5.1 Egypt's Decarbonisation and Resource-Recovery Journey: From Present Action to a Circular Future	Geocycle Egypt
-------------	---	---	----------------

13:25–13:50		5.2 Africa Cement Industry Outlook Perspectives from CIMAF development across Africa	CIMAF
-------------	--	--	-------

13:50–14:15		5.3 Global Cement Deep Industrial Decarbonisation Overview	A³&Co.®
-------------	--	--	---------

14:15–15:45 **Networking Lunch**

DAY 1 — MONDAY, 23 NOVEMBER, CONT.

15:45–16:00	Session 6: Breakthrough Technologies and Industrial Services	6.1 Integrated Cement Plant Technology and Modernization Solutions	DAL
16:00–16:15		6.2 From DUST to PROFIT...with efficient Industrial Cleaning Systems	Wieland Lufttechnik GmbH & Co. KG
16:15–16:30		6.3 Title to be Confirmed	SKYPORTS
16:30–16:45		6.4 4PRO & Spinosphere: Next-Generation Refractory Solution	RHI Magnesita
16:45–17:00		6.5 Nobody Inside the Vessel: Engineering Robotics for Safer, Faster Cement Plant Shutdowns	LEONARD
17:00–17:15		6.6 How Industrial Ceramics Apply in Cement Plants to Achieve Energy Saving and Effective Production	Luoyang Pengfei
17:15–17:30		6.7 Packing, Handling, Screening and Dispatch Technology	HAVER & BOECKER OHG
17:30–17:45		6.8 Scaling Waste Heat Recovery From Stand-Alone Power Generation to Integrated Cement Plant Solutions	CTP Team S.r.l.
17:45–18:00		6.9 From Compliance to Carbon Capture Readiness: How Environmental Upgrades Improve Cement Plant Competitiveness	Redecam Egypt Limited
18:00–18:15		Q&A and Chair Wrap-Up	
18:15	End of Day 1		

DAY 2 — TUESDAY, 24 NOVEMBER

08:40–09:00	Session 7: WCA Global Cement Perspective	Global Cement Perspective and Transformation Context	WCA
-------------	---	--	-----

DAY 2 — TUESDAY, 24 NOVEMBER, CONT

09:00–10:00	Session 8: Circularity in Cement	8.1 From Waste to Strategic Resource Platforms Panel Discussion	Heidelberg Materials Titan CEMEX Vicat
10:00–10:15		8.2 Waste-to-Energy — RDF Utilisation in Cement Plants	MVW Lechtenberg & Partner
10:15–10:30		8.3 The Sulphur Challenge of Alternative Fuels Preventing blockages and achieving zero shutdowns with Cardox	YAKIMAN CO LTD — on behalf of CARDUX
10:30–11:00	Coffee Break and Exhibition Networking		
11:00–12:00	Session 9: Digital Maturity and AI	AI-Driven Cement Operations Panel Discussion	GigaTon CemAI Alcemy
12:00–12:15	Session 10: Industrial Digitalisation, Automation and Plant Reliability	10.1 Digital Cement Plant Lighthouse	Riyadh Cement
12:15–12:30		10.2 Connected Sensing, IoT and Operational Monitoring	SiloConnect
12:30–12:45		10.3 With AI Made Perfect Raw Meal and Finally Excellent Clinker and Cement	DE-VELOP Consulting Co. Ltd
12:45–13:00		10.4 Turning Machine Data into Availability Practical lessons from the field	DALOG Diagnosesysteme GmbH
13:00–13:15		10.5 CEMENTO-AI Real-time clinker quality and strength prediction for sustainable cement production	GORD Institute
13:15–13:30		10.6 Digital Maintenance, Reliability, and Asset Intelligence	SKYMAINT
13:30–13:45		10.7 Understanding the Domain and Impact of AI in Heavy Industry	Twosuns.ai
13:45–14:00		10.8 Transforming Cement Competitiveness: Energy, Carbon, Materials and Digital Performance	AKXATECH PVT LTD

DAY 2 — TUESDAY, 24 NOVEMBER, CONT

14:00–14:15	Session 10: Industrial Digitalisation, Automation and Plant Reliability (cont.)	10.9 Advanced Grate Plate Technology for Reciprocating Clinker Coolers	Magotteaux East Mediterranean Ltd
14:15–14:30		Q&A and Chair Wrap-Up	
14:30–16:00	Networking Lunch		
16:00–17:00	Session 11: Decarbonisation in Cement	From Roadmaps to Bankable Execution Panel Discussion	A³&Co.® IFC EBRD Arab African Bank
17:00–17:15	Session 12: From Decarbonisation Strategy to Operational and Financial Implementation	12.1 Decarbonisation Strategies — European Perspective	Global Cement Magazine
17:15–17:30		12.2 eLCC — A New Solution for Calcined Clay	AUMUND Holding B.V.
17:30–17:45		12.3 Alternative Fuel Utilisation: Complexities and Practical Solutions	Arabian Cement
17:45–18:00		12.4 C&D Waste Valorization	Everox
18:00–18:15		Q&A and Chair Wrap-Up	
18:15	End of Day 2 Technical Programme		
20:00	Gala Dinner		

DAY 3 — WEDNESDAY, 25 NOVEMBER

09:00–10:00	Session 13: End-to-End Cement Plant Solutions	From Modernisation to Future-Ready Plants — OEM Solutions Panel Discussion	Thyssenkrupp Polysius KHD Humboldt Wedag SINOMA-CDI Fuller Technologies
-------------	--	--	--

DAY 3 — WEDNESDAY, 25 NOVEMBER, CONT

10:00–10:15	Session 14: Low-Clinker Cements, Combustion, Fuel Flexibility and Refractory Reliability	14.1 PPC: The Smarter Choice for a Lasting Future	United Cement Industrial Co.
10:15–10:30		14.2 Developments in Calcined Clay Manufacture	JAMCEM Consulting CemGreen ApS
10:30–10:45		14.3 Innovative Technology for Effective CO ₂ Reduction in Cement Production ABCs of carbon reduction: alternative fuels gasification & SCMs	Dynamis
10:45–11:00		14.4 Applications of AI in the Cement Industry	Future Cement Initiative
11:00–11:15		14.5 Preparation, Handling and Feeding of Alternative Fuel in the Cement Industry to Reduce Production Cost	Fuel-Technology GmbH
11:15–11:30		Q&A and Chair Wrap-Up	
11:30–12:00	Coffee Break and Exhibition Networking		
12:00–12:15	Session 15: Circular Resource Platforms and OEM Greenfield & Brownfield Projects	15.1 Advancing Net-Zero Cement through Co-processing Integrated closed-loop solutions from waste to alternative fuels	IMEGA
12:15–12:30		15.2 SRON Intelligent Bulk Material Storage and Handling Technologies Empowering green transformation in the cement industry through energy saving, emission reduction and sustainable growth	Henan SRON
12:30–12:45		15.3 Phosphogypsum Valorization Technologies Co-production of sulfuric acid and cement clinker	SINOMA-CDI
12:45–13:00		15.4 CP Clinker Cooler	Claudius Peters
13:00–13:15		15.5 Fabric Filter Bags Cornerstone for cost-effective operation of the modern cement plant	ANDRITZ FZCO

DAY 3 — WEDNESDAY, 25 NOVEMBER, CONT

13:15–13:30	Session 15: Circular Resource Platforms and OEM Greenfield & Brownfield Projects (cont.)	15.6 Chemical Solutions for Reducing Clinker Factor in Cement Blends in the MEA Region	Sika Services AG
13:30–13:45		15.7 Maintaining Efficiency of Cooling Water Systems in Cement Plants	FAIZA AbouZeid Trusted Chemicals Co.
13:45–14:00		Q&A and Final Technical Wrap-Up	
14:00–14:30	Session 16: Closing Ceremony and Conference Recommendations	Closing Remarks and Conference Recommendations	AUCBM
14:30	Closing Lunch and Final Networking		

WHY PARTICIPATE?

The conference provides participants with the opportunity to:

- Gain insight into the trends, challenges and opportunities shaping the Arab cement industry.
- Engage with cement industry leaders, policymakers, technology providers and international experts.
- Explore practical approaches to competitiveness, circularity, digital maturity and decarbonisation.
- Discover emerging technologies and industrial solutions supporting future-ready cement plants.
- Exchange experiences and lessons learned from leading regional and international organizations.
- Develop strategic relationships through dedicated networking and exhibition activities.

THE 29TH ARAB INTERNATIONAL CEMENT & BUILDING MATERIALS CONFERENCE & EXHIBITION

CANCELLATION POLICY

Cancellation Date	Refund Policy
On or before 22 September 2026	Full refund (less applicable bank charges)
From 23 September to 22 October 2026	50% refund (less applicable bank charges)
After 22 October 2026	No refund

NOTES

- Refunds will be processed to the original payment account.
- Any bank transfer or refund charges will be borne by the participant.
